CHILDREN

It goes without saying that your children are your responsibility and you should keep an eye on them and know where they are at all times. All children AND their family members should have a wristband attached to them when they are at WrdeUp.

This is to help us identify that a child belongs to the adult they are with. A parent/minder's mobile number will also be written on the child's wristband. If you do not have, please seek one immediately upon arrival. Please make sure you and your child both wear these wristbands at all times. Please report to the info tent if you need a replacement. If you find you have been separated from your child, please go to the nearest Event Staff member or to the Info Tent.

If you find a child that is obviously lost, please stay where you are and get someone else to alert security or go to the Info Tent. Please **DO NOT TRY AND TAKE THE CHILD ANYWHERE**, someone will come to you. WrdeUp reminds you that it is an offence for any person to be drunk whilst responsible for a child. Please drink responsibly & remember your responsibilities.
